

To access iSite from the Hospital:

1. Click on the “**PACSWeb Icon**” (this is located on the desktop) *
2. On the iSite Enterprise homepage, fill in **all 4 fields** before you press enter:
 1. Enter your **U Number** (u0000000) as your User Name
 2. Enter your **Email/Outlook Password**
 3. Below the Words “Log on to” select “**U of U Active Directory**”
 4. Select “**Main Location**” as your workstation location
3. Click the **Log In** button

* If you do not have this icon on your desktop:

Launch Microsoft Internet Explorer (other browsers, like Mozilla Firefox won't work with iSite)

In the address bar type in <http://pacsweb.med.utah.edu/>

You may be prompted to “Install Active X control” – click Install

Welcome to iSite @
